

Access messages, E-mail, and manage your faxes for FREE. Anywhere. Anytime.

Anything you can currently do in Amvox, you can do in CommuniKate without any additional charges.

Plus, you can also do the following without additional charges:

Listen to your messages from anywhere (no long distance), listen to your E-mail, and manage your faxes.

****Outbound calling charges and enhanced features billed at 7¢ per minute in 6 second increments as noted.**
